Statement of Intent

As a responsible employer, the Governing Body of Newcroft Primary Academy will honour their legal obligations, in particular the requirements of the Health and Safety at Work Act 1974 and associated regulations and codes of practice.

The Governing Body recognises and accepts its responsibilities and duties as the employer to conduct its operations in a manner which protects the health, safety and welfare of employees, students and visitors so far as is reasonably practicable.

- 1.1 As a responsible employer, the Symphony Learning Trust will honour their legal obligations, in particular the requirements of the Health and Safety at Work Act 1974 and associated regulations and codes of practice.
- 1.2 The Trust and School recognises and accepts its responsibilities and duties as the employer to conduct its operations in a manner which protects the health, safety and welfare of employees, students and visitors so far as is reasonably practicable.
- 1.3 Newcroft Primary Academy will maintain its own local health and safety policy arrangements that remain aligned to the Symphony Learning Trust policy.
- 1.4 In compliance with the Management of Health and Safety at Work Regulations, risk assessments will be undertaken, and arrangements will be made, where significant risks are identified, the necessary preventative and protective measures will be put into place so far as is reasonably practicable using a sensible risk management approach.
- 1.5 Newcroft Primary Academy (as a member of the Trust) is committed to the prevention of accidents and ill health.
- 1.6 Newcroft Primary Academy (as a member of the Trust) will work towards continual health and safety improvement.
- 1.7 To achieve these objectives, Newcroft Primary Academy will:
 - Conduct all our activities safely and in compliance with legislation and where possible, best practice as informed by our competent advisor
 - Ensure the provision of safe working conditions and safe equipment
 - Ensure a systematic approach to identify risks is developed and implemented and ensure sufficient resources are allocated to control them
 - Ensure the provision of suitable information, instruction, training, and supervision
 - Promote a positive health and safety culture that is demonstrated by open communication, consultation, and a shared commitment to the importance of health, safety, and welfare
 - Promote the principles of sensible risk management
 - Monitor, review and modify these local H&S Policy Arrangements as required.

- 1.8 All Trust employees have a responsibility to take reasonable care of themselves and others and to co-operate with their employer to ensure statutory duties and obligations are fulfilled.

Symphony Learning Trust H&S Management Organogram

2.1 Background & Context

- 2.1.1 Newcroft Primary Academy is a member Academy of the Symphony Learning Trust (the Trust). Newcroft Primary Academy became a member of the Trust in September 2016 and Academy staff are Trust employees, required to implement and comply with the Trust's Health and Safety Policy.
- 2.1.2 The Trust's organisational roles and responsibilities are detailed within the Trust's Health & Safety Policy (v5.2, dated 01st Sept 2021).
- 2.1.3 The Trust Board has delegated some areas of governance within the Academy that will be overseen by the Academy's Local Governing Body. These responsibilities are delegated by the Board in accordance with the Trust's Articles of Association and outlined in its Scheme of Delegation.
- 2.1.4 The Newcroft Primary Academy Local Governing Body is comprised of Parents, Staff and Community / Co-opted governors along with the Head Teacher and *ex-officio* senior leader(s).
- 2.1.5 The Academy's Local Governing Body shall ensure that its Head Teacher maintains their local health and safety policy arrangements, which are aligned to the Trust H&S policy and fully reflect the local roles, responsibilities, and arrangements. This reflects the Symphony Concept that the Trust shall be the "trunk" of the organisation but that each school shall:
- Maintain its own identity and ethos
 - Have autonomy with a successful curriculum
 - Keep its financial reserves
- 2.1.6 Senior Business Managers, within the Trust's Senior Management Team, hold shared responsibility with the Newcroft Primary Academy Head Teacher for the health and safety performance within the Academy.
- 2.1.7 The local H&S Policy Arrangements within Newcroft Primary Academy are detailed in this document, as required by the Trust in its H&S Policy.

2.2 Newcroft Primary Academy Organisational Responsibilities

2.2.1 Local Governing Body

2.2.2 The Local Governing Body has been allocated, by the Trust, oversight of the governance of the Academy.

2.2.3 The Local Governing Body shall ensure the Head Teacher maintains the local H&S policy arrangements, which are aligned to the Trust H&S policy and fully reflect the local roles, responsibilities, and arrangements.

2.2.4 The Local Governing Body shall seek assurance from the Head Teacher and nominated members of the Trust's Senior Leadership Team that:

- The local health and safety policy arrangements are determined and implemented
- Sufficient funds for health and safety are allocated.
- Clear lines of accountability for health and safety are established.
- The effectiveness of the local arrangements is periodically assessed and that any necessary changes are made.
- A process is in place for the identification and evaluation of risks relating to possible accidents and incidents connected with the Academy.
- The Academy retains access to competent health and safety advice.
- A business continuity plan remains in place and that clear plans for coping with sudden emergencies are developed and maintained by a Senior Emergency Management Team (SEMT) or similar.
- Appropriate facilities and opportunities are provided for accredited safety representatives to perform their duties.
- Suitable health and safety provision is made for pupils with special needs and the staff involved.
- Health and safety aims and objectives are set for the Academy.
- A clearly defined health and safety audit program is determined and implemented.
- Regular reports of accidents and dangerous occurrences are provided by the Head Teacher and that any necessary alterations to working practices and procedures decided upon are implemented.

- 2.2.5 The Local Governing Body is responsible for performing a health and safety inspection within the Academy on a termly basis.
- 2.2.6 The Local Governing Body is responsible for promoting a positive health and safety culture within the Academy.

2.3 Head Teacher

- 2.3.1 Without limiting the responsibility of the Trust and its Senior Leadership Team, the Head Teacher will oversee the day-to-day management of health and safety and the implementation of the Trust's H&S Policy within Newcroft Primary Academy.
- 2.3.2 The Head Teacher will implement the local H&S policy arrangements to comply with the Management of Health and Safety at Work Regulations 1999 and School Premises Regulations 2012. To help achieve this the Head Teacher will:
- Ensure compliance with Trust's H&S Policy and ensure the policy, local arrangements and risk management programme are implemented as an integral part of business operational planning and service delivery.
 - Make clear any duties in respect of health and safety, which are delegated, are communicated to members of staff.
 - Make him/herself familiar with any documentation and/or instruction referring to the health and safety arrangements for staff, building maintenance and operation of Newcroft Primary Academy and ensure an up-to-date system of policies, procedures and risk assessments is maintained.
 - Co-operate and communicate with trade unions and employee health and safety representatives and ensure that all employees are aware of and accountable for their specific health and safety responsibilities and duties set out in **Appendix 1**.
 - In the event of the identification of any hazard or risk to health and safety of any persons under their control, ensure appropriate action is taken to control the hazard/risk.
 - Co-operate and communicate with the Trust's Senior Leadership Team.
 - Undertake regular monitoring and ensure the provision of adequate resources to achieve compliance.
 - Provide a termly health and safety performance report to the Trust and Local Governing Body.
 - Ensure that local procedures for the selection and monitoring of contractors are in place.
 - Take appropriate action under the Trust's disciplinary procedures against anyone under their control found not complying with health and safety policies and/or procedures.
 - Ensure the Academy retains access to competent health and safety

advice.

- Ensure there is a clear system for reporting accidents and incidents.
- Facilitate and partake in health and safety audits.

2.3.3 In addition to their statutory duties, the Head Teacher retains a common law duty of care for pupils which stems from their position in law as "*in loco parentis*".

2.3.4 The Head Teacher may delegate various health and safety responsibilities through their respective hierarchies. However, where responsibility is delegated, sufficient resources and authority must be allocated to ensure that these responsibilities can be effectively implemented. Health and safety duties and responsibilities relating to specific job roles are set out in **appendix 1** of these local arrangements.

2.4 Senior Management Team for H&S at Newcroft Primary Academy

2.4.1 The senior management team for H&S comprises the following persons, (Head Teacher, Deputy Head, Business Director/Business Manager, Premises Officer). The senior management team will:

- Make itself familiar with, and ensure the Academy's compliance with, the Trust H&S policy and these local arrangements, including any procedures, instructions, and requirements for safe methods of work.
- Monitor the effectiveness of these local arrangements, identify any shortcomings, and communicate them to the Local Governing Body.
- Provide a documented process for reporting and investigating all incidents, accidents and near misses. Report all accidents, incidents and near miss events, undertake an investigation into the cause and take appropriate remedial action to prevent recurrence
- Provide (or contribute to) a termly health and safety performance report to the Head Teacher for subsequent provision to the Local Governing Body.
- Identify new and existing hazards, provide risk assessments, record the significant findings, implement any necessary control measures, and review these to ensure that they remain relevant.
- Check and document that the working environment is safe; equipment, products and materials are used safely; that health and safety procedures are effective and complied with and that any necessary remedial action is taken.
- Provide information, instruction, training, and supervision for the staff they are responsible for.
- Complete (or ensure the completion of) a health and safety induction checklist for all new employees at the commencement of their employment.

- Be responsible for all aspects of health and safety included in their job description.
- Ensure that all statutory registers and records are retained and maintained.
- Report property defects to the Site Manager/Premises Manager.
- Ensure the provision of adequate PPE for staff (where applicable).
- In conjunction with the Head Teacher, facilitate and partake in health and safety audits.

2.5 Business Director/Manager

2.5.1 The Academy's Business Director/Manager will be responsible to the Head Teacher for ensuring the day-to-day operational requirements of the local H&S policy arrangements are implemented.

2.5.2 The Business Director/Manager will retain an up-to-date copy of the Trust's H&S Policy together with the local H&S policy arrangements all associated documentation.

2.5.3 As a member of the senior management team, the Business Director/Manager will undertake and/or contribute to that team's H&S responsibilities and in addition will:

- Notify the Premises Officer and/or Head Teacher of any health and safety concerns and any financial implications identified by the risk assessment process.
- Liaise with, and report directly to, the Head Teacher and Local Governing Body on matters of Health and Safety.
- Ensure that all certification and statutory inspections are kept up to date.
- Investigate accidents, dangerous occurrences and near misses, complete accident reports.
- Schedule and partake in health and safety audits.
- Ensure the Academy has a Management of Medications Policy.

2.10 Health & Safety Advisor (outsourced to LTS H&S Dept)

2.10.1 The H&S Advisor is responsible for the provision of competent H&S advice and assistance.

2.10.2 The H&S advisor is responsible for the provision of an external H&S audit function, as agreed and scheduled with the Head Teacher and Business Director/Manager.

2.11 Pupils

2.11.1 All pupils must be continuously supervised by teaching and support staff. Pupils are expected to behave in a manner that reflects Newcroft Primary Academy's behaviours policy and in particular are expected to (where knowledge and understanding permits):

- Take reasonable care for their own health and safety and of their peers, teachers, support staff and any other person that may be at the Academy
- Cooperate with teaching and support staff and follow all health and safety instructions given.
- Not intentionally or recklessly interfere with or misuse anything provided in the interests of health, safety, and welfare
- Report to a teacher or other member of Newcroft Primary Academy staff any health and safety concerns that they may have.

2.11.2 Newcroft Primary Academy will ensure that:

- The premises are in a safe condition for the purpose of use.
- Adequate arrangements for emergency evacuation are in place and communicated.
- Users are consulted on health and safety matters.

- The Academy's health and safety arrangements are made available to shared users.

2.12 Lettings

2.12.1 Newcroft Primary Academy has a lettings policy. The policy covers procedures for fire evacuation, security arrangements, the requirements relating to accident, assault and hazard/near miss reporting and requirements for the provision of first aid.

2.12.2 Persons/organisations letting the site must agree to:

- Co-operate and co-ordinate with the Academy on health and safety matters
- Agree to the terms of the lettings policy in relation to health and safety arrangements
- Provide information relating to any additional risks or procedures which will be new or unusual to those of the Academy that may arise from their activities

2.12.3 Newcroft Primary Academy will ensure that:

- The premises are in a safe condition for the purpose of use
- The health and safety arrangements detailed in the lettings policy are fully explained and communicated to all individuals or groups letting a space/area of the school premises
- Adequate arrangements for emergency evacuation are in place and communicated

3.0 Organisational Arrangements for Health and Safety

3.1 The following arrangements will be adopted to ensure that the Trust, Newcroft Primary Academy, the Head Teacher and the Local Governing Body fulfil their responsibilities and provide the foundation for securing the health and safety of employees and all users of the site.

Setting health and safety objectives

3.2 The Trust and the Head Teacher will specifically review progress of health and safety objectives as an element of the termly H&S report provided to the Trust.

3.3 The Head Teacher and Local Governing Body shall review progress of health and safety objectives at the termly meeting of the Local Governing Body.

3.4 Where necessary health and safety improvements will be identified and included within the Academy's action plan.

Provision of effective health and safety training

- 3.5 The Trust Chief Financial Officer (CFO) and the Head Teacher will consider health and safety training on an annual basis in line with the Academy's health and safety training matrix focussing on mandatory training as a priority.

Provision of an effective joint consultative process

- 3.6 Newcroft Primary Academy's Health and Safety Lead will report termly to the Local Governing Body and the Head Teacher, who will ensure that concerns are considered and addressed within a clear action plan, with identified responsibilities and target dates. Membership will include (as a minimum) a member of the senior management team (this may be the Head Teacher or Head of School), a member of teaching staff (this may be the Deputy Head), a member of support staff (this may be the Business Director/Manager), a member of the site management team (the Premises Officer), a member of the Governing Body (the Health and Safety Lead).

Establishing adequate health and safety communication channels

- 3.7 Communication channels will be established for the exchange of health and safety knowledge and information. Where necessary, these communications will be recorded and include:
- Senior H&S management team meetings and staff meetings
 - Provision of information relating to safe systems of work and risk assessments
 - Training provided
 - Communications with relevant specialist advisors and bodies
- 3.8 Where health and safety issues cannot be resolved at local level, they will be escalated through the management structure as appropriate.

Financial resources

- 3.9 The Trust along with the Head Teacher and Business Director/Manager will review the Newcroft Primary Academy budget to determine, in the light of past performance, if adequate resources are being deployed to ensure adequate health and safety management and control.

Specialist advice/support

- 3.10 Newcroft Primary Academy will ensure that access to competent technical advice on health and safety matters is procured to assist the Academy in complying with statutory duties and meeting health and safety objectives; the Academy will do this by:

- Accessing the services of a competent Health and Safety Advisor through Leicestershire County Council (LTS) Health, Safety and Wellbeing Service
- Engaging with specialist assessors/contractors in relation to fire safety and water hygiene

4.0 Organisation - Other Arrangements

Accident, incidents, near misses, and assaults

- 4.1 All accidents, assaults and near miss incidents will be reported in the accident book or agreed reporting form using the Assessnet system within 24 hours of occurrence; RIDDOR reportable incidents, as per the HSE's Education Information Sheet No1 (Revision 3) will be reported to the HSE within the required timescales.
- 4.2 All incidents will be investigated in an attempt to identify the root cause: relevant local policies, procedures and risk assessments will be reviewed and revised as required. All premises related issues will be addressed in a timely manner. Any relevant learning from investigations will be communicated to relevant staff, pupils etc.
- 4.3 Accident, assaults and near miss incidents will be monitored at least termly as part of the site health and safety committee; identification of significant trends or major incidents will be reviewed by the senior leadership team as required with information communicated to the governing body.
- 4.4 Accident records will be retained for the following periods; Pupil's records will be retained for a period of Date of Birth + 25 years, employee records will be retained from the date of incident + 7 years and forms relating to work related ill health is current year + 10 years or longer (40 years where there has been potential exposure to asbestos; where radiation is the cause retention is last action + 50 years).

Audit

- 4.5 Newcroft Primary Academy's health and safety management arrangements will be audited by LCC LTS every two years. The Academy reviews this process as a positive assessment of our health and safety management system and takes appropriate action to continually improve health and safety across the Academy.

Contractor selection and management

- 4.6 Newcroft Primary Academy will verify contractor competencies as part of its selection process.
- 4.7 Contractors are required to be inducted at site and their activities supervised to an appropriate level. Contractors should provide the Academy with RAMS prior to work being undertaken.

4.8 Newcroft Primary Academy will comply with the Construction Design and Management Regulations 2015, and the HSE guidance document: HSG159 Managing contractors: A guide for employers. The Academy will notify Leicestershire County Council (Premises Service), where appropriate and ensures that:

- Roles of client, principal designer, designer, principal contractor, contractor are understood and formally allocated
- Competent contractors are used
- Clear specifications of works (RAMs) are drawn up by a competent person to include phases of the work, duration, separation of building and school site, delivery times and locations, tapping into utilities, site security, fire and emergency coordination, fire escape routes, accident reporting etc.
- Pre-start meetings take place to discuss how works will be managed, responsibilities, codes of conduct and to assess new hazards that may be introduced to the site
- Key contacts are identified
- Regular update meetings take place throughout any works/projects
- Works are visually monitored, and any concerns immediately reported
- Works are signed off and any associated certification and documentation is obtained
- All staff/ pupils and other users of site remain in a safe environment for the duration of the works.
- All contractors are given access to the asbestos register when signing in.
- All contractors to complete a contractor site induction sheet before work can proceed

Control of hazardous substances

4.9 Newcroft Primary Academy will comply with the HSE's approved code of practice Control of Substances Hazardous to Health (L5) relating to the management and control of hazardous substances on site. The Academy will ensure:

- An inventory of all hazardous substances on site is kept and updated regularly
- Wherever possible non-hazardous substances are used and if this is not possible the least harmful substance is used
- A COSHH risk assessment will be completed for all hazardous substances used and shared with relevant staff
- Wherever possible exposure to hazardous substances is prevented, where exposure cannot be prevented, a risk assessment will be carried out and controls measures implemented
- Where identified as part of the risk assessment, appropriate PPE will be provided to staff
- Any requirement for exposure monitoring or health surveillance will be carried out

- Sufficient information, instruction and training is given to staff to ensure full understanding of the hazards to health posed by substances in the workplace and the importance of control measures provided
- Training records are maintained for those who receive training
- Information will also be given to others who may be affected, such as contractors, temporary staff, and visitors
- Only substances purchased through the school's procurement systems can be used on site
- Substances are stored correctly and those that are no longer used are disposed of as per the substance's safety data sheet
- COSHH risk assessments are monitored quarterly and reviewed annually

Dealing with health and safety incidents and emergencies - procedures and contacts

- 4.10 As per legal requirements, all dangerous occurrences and near miss incidents that are RIDDOR reportable incidents, will be reported to the HSE within the required timescale. Academies will use AssessNet (online reporting) to record accidents requiring external involvement to determine whether it is RIDDOR.
- 4.11 All incidents will be investigated in an attempt to identify the root cause: relevant local policies, procedures and risk assessments will be reviewed and revised as required. All premises related issues will be addressed in a timely manner. Any relevant learning from investigations will be communicated to relevant staff, pupils etc. (See Investigation section 4.53 below)
- 4.12 Missing Pupil, Bomb threat, Protect/Prevent and Invacuation/Lockdown procedures are developed and maintained.
- 4.13 Fire Emergency Plan is developed and maintained. (See also Fire Safety section 4.18 below).

Defect reporting

- 4.14 Newcroft Primary Academy has a defect reporting procedure whereby any damage or defect to the premises, equipment or furnishings is reported to the Premises Officer. Defective equipment is isolated and labelled as defective to prevent use until replaced or repaired. Where premises defects are identified a dynamic assessment is carried out to decide whether an area should be isolated or cordoned off whilst awaiting repair.

Display screen equipment (DSE)

- 4.15 Newcroft Primary Academy acknowledges that staff who use DSE should have suitable equipment to undertake the tasks that they are required to carry out, knows how to safely use the equipment and have a DSE assessment which is reviewed at suitable intervals. The Academy ensures that:

- All static workstations used by staff meet the minimum standards required
- Equipment is maintained in good working condition
- Staff are aware of best practice in using DSE and issued with relevant information
- Staff whose roles require significant use of DSE are prioritised for individual assessment and may be eligible for free eye checks.
- Assessments are reviewed at least biennially, earlier if there are significant changes to equipment/layout individual health.
- DSE training and assessment is available via LTS Health Safety and Wellbeing Service buy back. This can be access through the SHINE online system. For access, please call 0116 305 5515. <https://go-shine.co.uk/login/index.php>

Document control and record retention – see sections 5.1 and 5.9 below

Driving

- 4.16 All staff that drive their own cars for work purposes must have a full UK driving licence, business insurance and maintain their vehicle in a road worthy condition.

Electrical systems and equipment

- 4.17 Newcroft Primary Academy maintains and services electrical systems and equipment in line with statutory guidance and best practice. Electrical systems (fixed wiring installations) are periodically inspected every 5 years by a competent contractor and records maintained; any remedial works recommended are acted upon in a timely manner.
- 4.18 Portable electric appliances have a portable appliance test (PAT) carried out, in line with HSE guidance '*Maintaining portable electrical equipment in low risk environments*' (INDG236), by a competent contractor with records maintained.
- 4.19 Formal termly workplace inspections are undertaken whereby all equipment is visually inspected. Staff are instructed to undertake a visual inspection of equipment prior to use and not to use any equipment that appears damaged or defective. The Academy's defect reporting procedure is followed as required.

Fire safety

- 4.20 Newcroft Primary Academy is committed to providing a safe environment for both staff and pupils. The Academy manages the risk of fire by ensuring:

- A detailed fire and emergency evacuation plan has been developed that clearly details actions to be taken when a fire is identified or suspected, individual responsibilities and arrangements for safe evacuation, this will include the development of a Personal Emergency Evacuation Plan (PEEP) for any person requiring assistance in an evacuation.
- An annual type 1 and a 5 yearly type 2 fire risk assessment must be in place and reviewed on a regular basis. Actions highlighted in the risk assessments will be completed in order of priority highlighted by the assessors within the assessments.
- Statutory inspections are carried out on all fire related systems and equipment either both by competent contractors or in house by trained staff
- All staff receive fire awareness training that is regularly updated, and fire marshals receive role specific instruction
- A fire drill is undertaken at least termly to practice evacuation arrangements and to ensure that the evacuation procedure is carried out successfully and as expected.
- A fire logbook is kept and maintained

First-aid and supporting pupils' medical conditions

4.21 Adequate first aid arrangements are assessed, maintained, and monitored at Newcroft Primary Academy and for all activities that the Academy leads. The Academy ensures that:

- The number of first aiders and appointed persons meets recommendations and adequate cover is available to cover for annual leave and unexpected absences
- All first aiders and appointed persons hold a valid certificate of competence, the Academy maintains a register of all qualified staff and will arrange re-training as necessary
- First aid notices are clearly displayed around the Academy
- The person appointed to be responsible for First Aid will receive a First Aid Allowance. They will be responsible for ensuring there are sufficient numbers of suitably stocked first aid boxes available and checked periodically to ensure they are adequately stocked
- A suitable area is available for the provision of first aid
- Staff are regularly informed of first aid arrangements within Newcroft Primary Academy, through induction, teacher training days and the staff handbook which is issued annually
- Where first aid has been administered this is recorded in the first aid treatment book/s
- Correct reporting procedures are followed including those required under RIDDOR regulations
- Individual risk assessments have been carried out which consider first aid provision for lone workers and employees who travel in works vehicles that carry passengers.

- Information, instruction, and training will be provided to staff on any specific medical conditions of pupils and the procedures to follow in case of an emergency
- Children with medical conditions will be cared for in line with the medical conditions policy
- Medication shall be kept securely in line with the medical conditions policy

Food Safety – see section 2.7 above

Glass & Glazing

- 4.22 Newcroft Primary Academy will comply with the Workplace (Health, Safety and Welfare) Regulations 1992 and the Approved Code of Practice L24 as it relates to glass and glazing.
- 4.23 The Academy will survey its glass surfaces in doors, windows, and door side panels for the presence of safety glass and where appropriate will make remedial actions to install safety glass or film and have it suitably marked to that effect.

Grounds - Safety/Security/Automated Gates and Doors & perimeter fencing

Safety

- 4.24 The Academy will ensure that there is safe access and egress from the buildings and grounds including balancing the need for security with the need for emergency escape. The Academy will ensure that there is a regime for maintaining the grounds, perimeter demarcation (where owned) and equipment e.g., outdoor play equipment.

Security

- 4.25 Site and premises entry and security arrangements are identified and implemented. Entry arrangements are communicated to staff, parents, and contractors.

Automatic gates and doors & site perimeter fencing

- 4.26 Automatic Doors and Gates will be serviced, maintained and inspected in line with manufacturer's recommendations (usually 6 Monthly).
- 4.27 The Academy will complete documented in-house inspections of automatic doors and gates and site perimeter fencing to ensure their safe operation.
- 4.28 Defects will be reported immediately, and a contractor will be procured (where appropriate) to make the relevant assessment and repairs.

Housekeeping – storage, cleaning & waste disposal

- 4.29 The Academy will ensure that there is suitable and sufficient storage including systems for ensuring that items are included on an inventory and checked periodically where necessary for safety.
- 4.30 The Academy will ensure that there are systems in place for cleanliness, to minimise the accumulation of rubbish, for the removal and disposal of controlled waste and for the cleaning of spills/ wet floors to minimise the risk of slips. The Academy will ensure that there are suitable and sufficient external waste bins secured from the risks of arson and tampering.
- 4.31 Where applicable and to accommodate the requirements of environmental legislation the Academy will arrange for suitable disposal/recycling of relevant items e.g., fluorescent lighting and waste electrical appliances.
- 4.32 Suitable arrangements will be made for gritting and/or the clearing of snow as part of winter preparedness.

Infection Prevention and Control (Inc. COVID-19)

- 4.33 Newcroft Primary Academy will refer to its infection prevention and control guidance, ensuring it has been communicated and is available to all staff.
- 4.34 In the event of an outbreak of a communicable infection/disease the guidance contained within the Academy's infection control guidance will be followed.
- 4.35 The Academy will engage with PHE and The DFE should there be an outbreak of a communicable infection/disease and follow any advice given.
- 4.36 The Academy will ensure a robust cleaning regime is followed and adequate ventilation is achieved at all times when the site is occupied.

Intimate Care / SEND

- 4.37 All intimate care and SEND requirements will be identified and managed through an individual SEND assessment and care plan, if required.

Jewellery

- 4.38 See the school's Uniform Policy.

Lone working

- 4.39 Newcroft Primary Academy will ensure through risk assessment that all staff who work alone are given suitable instruction on lone working procedures including communications, emergency procedures and any restrictions during lone working e.g., work at height.

Management of asbestos

- 4.40 Newcroft Primary Academy complies with the HSE's approved code of practice '*Managing and working with asbestos, Control of Asbestos Regulations 2012, Approved Code of Practice & Guidance (L143)*'. The Academy is committed to preventing exposure to asbestos fibres to all persons that enter onto its premises. The Academy has a whole site asbestos 'management survey' (previously known as Type 2 survey) from which a Local Asbestos Management Plan (LAMP) has been developed. The LAMP along with the asbestos register will be kept up to date.
- 4.41 A minimum six-monthly visual inspection of all identified asbestos containing materials (ACMs) that are not encapsulated or in restricted access areas are undertaken and documented; where necessary more frequent checks of ACMs will be undertaken. Any concern relating to known or suspected ACMs are addressed as per the procedures detailed in the Newcroft Primary Academy LAMP.
- 4.42 Prior to any works that will or has the potential to alter the fabric of the building; a 'refurbishment and demolition survey' (previously known as a Type 3 survey) will be procured in order to undertake a comprehensive assessment of the materials being disturbed prior to any works commencing. Where necessary works that are likely to disturb asbestos will be planned so as to avoid disturbance (re-routed) or the asbestos will be removed by competent licensed contractors prior to building works commencing.
- 4.43 Any changes to building where asbestos any work on or the removal of asbestos has been carried out will be recorded in the asbestos register and kept with the school's LAMP.

Moving and handling

- 4.44 Newcroft Primary Academy complies with the HSE's approved code of practice '*Manual Handling. Manual Handling Operations Regulations 1992 (as amended). Guidance on Regulations (L23)*'.
- 4.45 Within the Academy there are a variety of moving and handling tasks that may be necessary; this could range from moving files to assisting an individual with mobility issues. The Academy manages the risk associated with moving and handling tasks by ensuring that:
- Moving and handling is avoided whenever possible
 - If it cannot be avoided, moving and handling is properly planned, has a relevant risk assessment, is carried out by competent staff, and carried out in a manner which is, so far as is reasonably practicable, safe
 - Those undertaking specific moving and handling tasks have received appropriate training and training records are maintained

- Any equipment provided to assist with moving and handling tasks is maintained and serviced in accordance with statutory requirements
- Any defective equipment is taken out of use until repaired or is replaced
- An individual risk assessment will be completed for all new or expectant mothers and staff with identified medical conditions that may be affected by undertaking moving and handling tasks, these may result in some moving and handling task being restricted
- Any accidents resulting from manual handling operations will be investigated to identify root causes and implement additional controls as required

Noise

- 4.46 Newcroft Primary Academy will make arrangements for the assessment of risk, protection, and other control measures where the noise levels reach the action values as detailed within the Control of Noise at Work Regulations 2005.

Occupational health services and work-related stress

- 4.47 Newcroft Primary Academy acknowledges that there are many factors both work-related and personal that may contribute to staff being absent from work through injury and ill health including stress.
- 4.48 The Academy will follow the principles of the HSE guidance '*Managing the causes of work-related stress*' (HSG 218). The following arrangements are in place to locally manage staff health issues:
- Employees are advised that it is their responsibility to inform their line manager, the Head Teacher, or another member of the senior leadership team of any ill health issues
 - An appropriate senior member of staff will meet and discuss the ill health issues with the employee and consider what actions could be taken to support the staff member and where appropriate assist in reducing stress levels
 - The member of staff will be offered a referral to an occupational health professional for advice and support, e.g., counselling, etc.
 - The member of staff will be advised that support can also be provided through their trade union
 - A series of regular review meetings will be scheduled to monitor ill health and stress levels where they have been identified
 - If it is identified that there is a high occurrence of staff ill health or stress within the Academy, the Head Teacher will actively seek support to undertake a holistic assessment to identify what the possible root cause may be and implement a plan to improve the situation

Off-site visits including school-led adventure activities

4.49 Newcroft Primary Academy has created an Off-Sites Visits policy which should be followed by the EVC (Educational Visits Coordinator) and Visit Leaders

- Risk assessments will be created for all off-site visits by trained and delegated visit leaders.
- The Academy requests staff to follow the Off-Site visits policy and adopt OEAP National guidance when creating risk assessments for off-site visits. <https://oeapng.info/>
- All residential, overseas and adventurous activity visits will be logged on the EVOLVE system. The LTS Health Safety and Wellbeing team duty officer at Leicestershire Traded Services will provide advice via the EVOLVE system
- https://evolve.edufocus.co.uk/evco10/evchome_public.asp?domain=LeicestershireCountyCouncil This link directs to the EVOLVE website. For login enquiries please contact 0116 305 5515
- The Chair of Governors will be provided details of all off-site residentials.
- Visit Leaders will create risk assessments for visits, the EVC will review the visit forms and risk assessments and the Head Teacher will approve the visit. At Newcroft, the EVC is the Deputy Head teacher.
- LCC do not approve off-site visits this can only be done by the Head Teacher

Preventing workplace harassment and violence

4.50 The Newcroft Primary Academy is committed to providing a safe and secure working and educational environment for staff, pupils and any other persons on its site. Where applicable, in addition to the control measures identified in the site specific lone working risk assessment, the following procedures are in place:

4.51 Staff are advised to:

- Avoid confrontation if possible
- Withdraw from a situation or escalating situation
- Arrange seating so that a clear escape route from the room to a place of safety is available. Sit near the door, or use a room with two doors
- Contact emergency services, as appropriate.
- Inform the Head Teacher or a member of the senior management team if confrontation has taken place

4.52 Newcroft Primary Academy will:

- Ensure the Head teacher or member of the senior leadership team attend the site of an incident on being informed of an incident, if considered necessary
- Have in place procedures for the reporting of incidents
- Offer counselling/ support through Occupational Health
- Debrief individuals following any incident
- Provide training on how to manage conflict and aggression as required
- Review the appropriate risk assessments following any incident.

Risk Assessment

- 4.53 Risk assessments are undertaken for tasks/activities where hazards have been identified or where there is a foreseeable risk of injury/ill health
- 4.54 Within the Academy various persons are tasked with the development of risk assessments based on their knowledge, experience, and competence (See **Appendix 1**). Relevant staff will develop the risk assessments prior to consultation with all staff to which they are relevant prior to sign off. Risk assessments are always accessible to staff.
- 4.55 New and expectant mothers risk assessments will be conducted in line with HSE Guidance
- 4.56 Young person's risk assessments will be carried out for staff working on site falling within this age range, as applicable

Smoking

- 4.57 Newcroft Primary Academy complies with UK law on smoking in both indoor and external spaces. The Academy has a no smoking policy which extends to the limits of the curtilage of the site. The policy extends to the used of substitute inhalers and all types of vaping devices including e-cigarettes. The Academy has signage on site and will ensure that persons seen smoking onsite are instructed not to do so.

Statutory Inspections

- 4.58 Newcroft Primary Academy ensures that statutory inspections are undertaken at required intervals for all plant and equipment required. A table detailing required inspections, date of last inspection, date of next inspection and who is undertaking the inspection has been developed which is implemented by the Premises Officer.

Preventing workplace harassment and violence

4.59 Newcroft Primary Academy is committed to providing a safe and secure working and educational environment for staff, pupils and any other persons on its site. Where applicable, in addition to the control measures identified in the site specific lone working risk assessment, the following procedures are in place:

Staff are advised to:

- Avoid confrontation if possible
- Withdraw from a situation or escalating situation
- Arrange seating so that a clear escape route from the room to a place of safety is available. Sit near the door, or use a room with two doors
- Contact emergency services, as appropriate.
- Inform the Head Teacher or a member of the senior management team if confrontation has taken place

Newcroft Primary Academy will:

- ensure the Head Teacher or member of the senior leadership team to attend the site of an incident on being informed of an incident, if considered necessary
- have in place procedures for the reporting of incidents
- offer counselling/ support through Occupational Health
- debrief individuals following any incident
- provide training on how to manage conflict and aggression as required
- review the appropriate risk assessments following any incident.

Vehicles on Site

4.60 Only staff vehicles should be parked in the school car park other than, where space permits, delivery, contractor, and construction vehicles requiring closer access to specific areas of the school. Drivers of such vehicles should report to the Office in the first instance.

Water hygiene management

4.61 Newcroft Primary Academy will comply with the HSE approved code of practice '*Legionnaires' disease - The control of legionella bacteria in water systems*' (L8).

The Academy:

- Employs an external person (Palm Solutions) with relevant knowledge and competence to obtain initial advice on any necessary actions and to manage water systems with the support of the Premises Officer.

- Employs a competent external contractor to provide a suitable survey/risk assessment every 2 years. An indication of when to review the assessment and what to consider should be recorded. This may result from, e.g.
 - changes to the water system or its use,
 - changes to the use of the building in which the water system is installed,
 - the availability of new information about risks or control measures,
 - the results of checks indicating that control measures are no longer effective,
 - changes to key personnel, or
 - a case of legionnaires' disease/legionellosis associated with the system.
- Will address any remedial actions identified by the survey including dead leg removal or drain down in order of priority determined by the survey/risk assessment.
- Employs a competent external contractor to undertake water sampling and routine cleaning, maintenance and disinfection of water systems and thermostatic mixing valves (TMV's) as applicable
- Ensures regular flushing of little used outlets is completed by a competent individual on a weekly basis
- Employs a competent person to undertake monthly monitoring of water systems including temperature readings

Working at height

4.62 Newcroft Primary Academy will follow the principles of the HSE guidance '*The Work at Height Regulations 2005 (as amended) A brief guide*' (INDG401). The Academy uses a variety of access equipment for working at height tasks including ladders, step ladders and kick stools. The Academy ensures that:

- Work at height is avoided whenever possible
- If it cannot be avoided, work at height is properly planned, has a relevant risk assessment, is carried out by competent staff and carried out in a manner which is, so far as is reasonably practicable, safe
- Those undertaking work at height have received appropriate training and training records are maintained
- All access equipment (ladders, step ladders, tower scaffolds etc.) is identifiable and inspected as required
- Any equipment provided to assist with working at height tasks is maintained and serviced in accordance with statutory requirements
- Any defective equipment is taken out of use until repaired or is replaced

- An individual risk assessment will be completed for all new or expectant mothers and staff with identified medical conditions that may be affected by undertaking working at height tasks, these may result in some working at height tasks being restricted
- Any accidents resulting from working at height will be investigated to identify root causes and implement additional controls as required

Workplace inspections

4.63 Newcroft Primary Academy recognises the importance of undertaking regular formal workplace inspections to ensure that the premises remain a safe working and educational environment for staff and pupils. A formal termly workplace inspection is undertaken with findings documented and any actions allocated with remedial actions. The termly inspection findings are reviewed with actions monitored for sign off by Health and Safety Lead. It is recognised that termly inspections alone will not keep premises safe and there is an expectation that staff will report any defects/damage to premises and equipment as per the Academy's defect reporting procedure.

5.0 Monitoring and Review & Business Continuity Arrangements

Monitoring and review

- 5.1 These local H&S policy arrangements together with the associated procedures and health and safety performance, will be reviewed by the Head Teacher and senior management team and/or Business Director/ Manager on a regular basis (every two years as a minimum), or as required. The Head Teacher will inform the Local Governing Body of the outputs of each review.
- 5.2 In order to evidence that health and safety standards are actually being achieved, the Academy will measure performance against pre-determined plans and objectives. Any areas where the standards are not being met will require remedial action.
- 5.3 The Academy will use different types of systems to measure health and safety performance. The systems used include:

Active monitoring systems

- Spot checks and termly site inspections will be undertaken
- Documents relating to the promotion of the health and safety culture will be regularly examined and reviewed
- Appropriate statutory inspections on premises, plant and equipment will be undertaken

- Where necessary, health surveillance and environmental monitoring systems will be implemented to check the effectiveness of health control methods and to detect early signs of harm to health.

Reactive monitoring systems

- Identifying where health and safety standards are not being met, by monitoring for failures in the systems - such as accidents, cases of ill health (work-related sickness), damage to property, etc

Reporting and response systems

- Ensuring that monitoring information is received, having regard to situations which create an immediate risk to health or safety, as well as longer-term trends and ensuring remedial action is taken
- The Trust, the Academy's Local Governing Body and Senior Management team and Health and Safety Lead will all receive and consider reports on health and safety performance

Investigation systems

- Investigations will be implemented for incidents proportionate to the severity of the incident. The investigation will incorporate systems to identify both the immediate and the underlying causes of events
- Analysing data to identify common features or trends and initiate improvements
- Where cases of occupational ill-health are to be investigated
- Where complaints relating to occupational health and safety are to be recorded and investigated
- Where accidents/incidents and assaults with the potential to cause injury, ill-health or loss are to be reported, recorded and appropriately investigated.

Third Party Monitoring/ Inspection

- Newcroft Primary Academy will be subject to third party inspection and monitoring, such as Insurer's inspections and as part of Ofsted requirements. Actions arising from third party audit/inspection will be incorporated within the Academy's action plan with appropriate target dates for completion

Business Continuity

- 5.4 Newcroft Primary Academy will maintain a business continuity plan. This plan will be used during events which have the potential to cause major disruption to our services. Although such events are rare, it is important that we have in place plans to help us manage and recover from these situations as they arise.

- 5.5 In the event of a major emergency or disruption, co-ordination and implementation of the business continuity plan is the responsibility of the Headteacher and Business Director/ Manager. The SEMT (Senior Emergency Management Team) shall be convened in the event of a major emergency or major disruption.
- 5.6 A copy of the Academy's business continuity plan will be distributed to all members of the SEMT and they will ensure that pre-planning is carried out.
- 5.7 In the unlikely event of major disruption or disaster the SEMT will arrange to meet to co-ordinate and invoke the business continuity plan.
- 5.8 The Academy's business continuity plan will be reviewed annually, when there is a change in staff, when there is a change in arrangements, following an incident, when there is a significant change to the premises. These reviews will be conducted by the Head Teacher and Business Director/Manager.

5.9 **Retaining and Maintaining Documentation**

- Newcroft Primary Academy will store all health and safety related documentation in the Premises Officer's locked room and cupboard if necessary.
- Health and safety related documentation will be backed up/scanned in and stored within the Academy's computer system for future reference.
