

Welcome to our Outstanding School

What do pupils say about our school?

I can talk to an adult whenever I need help.

There is a great range of clubs to attend and equipment to play on at lunch.

I like being able to talk about my feelings and use the worry boxes.

Teachers help us to learn important skills we will use outside of school.

I like that we have awards and house points so everyone can achieve.

I love that we are taught so many subjects, which explore everyone's interests.

I have really enjoyed Commando Joes; it has taught me to be more resilient.

I like that we all get equal opportunities across school.

Kind teachers and other adults who help us to do our best.

I love our beautiful library and great books to choose from!

How supportive other children are in school towards one another.

I love learning to play so many different instruments!

The great equipment we have to make learning fun in art and snap circuits in Science.

What do pupils say about our school?

Mental health is promoted and is really important at our school.

Everyone treats each other equally and teachers make sure school is inclusive.

PE is amazing; I love the range of sports we get to play.

My teachers have helped me to become more independent.

Teachers sort our problems I am having straight away.

There are lots of opportunities to be responsible and do jobs around school and in the classroom for Job Centre.

There are a lot of opportunities to have our say and help to keep making our school better.

We are taught PSHE and British Values lessons so that we understand the world around us as we grow up.

There are so many varied clubs we can attend.

The outdoor play equipment is great!

Top residentials and trips out of school to make learning memorable and fun!

Lots of my friends get to take part in sports tournaments.

All the lovely artwork in school that makes our school a nice place to learn.

What do parents say about our school?

'Newcroft is an absolutely amazing school and I count my lucky stars that both my girls have been given a great start in life!'

'I am so impressed with how well the teachers know their pupils and their unique traits, then apply this to their learning.'

'All the staff have been exceptional with my child. They are so understanding of his needs, which as a parent of a SEN child, you could not ask for more!'

'The school has extremely dedicated teachers who every day go above and beyond to ensure that children are well looked after and enjoy their learning'

'The school do a great job of dealing with my child's complex dietary needs and I want to thank you- we feel reassured as new Reception parents'
