

# Art and Design

## Intent

At Newcroft Primary Academy our aim is that, Art and Design will stimulate our children to become inspired, creative and proud artists, through an engaging, challenging, practical learning experience. Children will develop cultural capital through acquiring the knowledge and appreciation of Art and Design in different time periods and cultures, as well as the important role it plays in everyday life.

## What?

## Impact

Planning provides children with engaging creative experiences . Teaching knowledge and skills to experiment, invent and create using a range of tools, techniques and materials.

Children use the ideas, knowledge and skills they have acquired to create their own works of art, craft and design.

Children are taught to research and explore the creativity of great artists, craft makers and designers.

Children appreciate and value the cultural importance of Art and Design and use this knowledge as inspiration for their own artwork.

Children are taught the vocabulary of Art and Design and how to use this to consider the work of artists.

Children are proud and reflective of their own and others artwork and can evaluate their learning using the language of Art and Design.
