

Newcroft Primary Academy Sports Premium

Review and Action Plan

October 2018

Written by

Alex Smythe, Executive Head

PART 1: Review of 2017-18

	Income
Sports premium grant	£18120

What did we spend the premium on?

	Expenditure
Sports Specialist staff for staff development	£15670
Resources	£1080
Subscriptions	£20
Training	£1000
Transport for disadvantaged pupils	£350
TOTAL	£18120

Evaluation of 2017-18 Sports Premium Funding impact

Activities and improvements during the year 2017/18	<ul style="list-style-type: none">• Introduced new activities like volley ball.• Doing classroom PE, which involves new types of skills with more control. Training teachers and improving their skills• Reception PE, encouraging them to do lots of different sports.• Spotting potential and encouraging the children to progress at an early age. This has led to an increase in the number of pupils representing the school.• Giving the pupils confidence and developing good behaviour management skills.• Behaviour at playtimes and lunch times continues to be judged as outstanding.• Peer and self-evaluation skills are made part of the lesson. Lesson observations indicate that this has improved.• Every child in KS1 and KS2 has experienced some form of competitive sport.• Invited ex-Newcroft Pupils to give inspirational talks, eg. Male and female football, mixed martial arts and swimming.• We continue to promote and extend the school as an effective learning environment and resource for the local community (e.g. cheer leading, Testuran)• Vastly improved equipment that Newcroft has well maintained sports equipment.• Both Betty and Jordan have undertaken various training opportunities over the year.• 73% of pupils in KS2 have represented the school at events
Overall evaluation of impact on subject	<ul style="list-style-type: none">• Ongoing support for the children is ensuring that the children progress well at PE.• This is achieved through ongoing recording of school results and representation.• Ensuring that pupils are encouraged at all times.• Provision and outcomes are outstanding.

Judgement:

Outstanding	Good	Requires Improvement
--------------------	------	----------------------

More detail

Helping more children get active and healthy, gaining confidence and learning skills that will help them to succeed in life.

We have improved the quality of lessons and after-school clubs due to buying new equipment, new mats, and enough equipment for whole class use in all sports. We offer a wider selection of sports, for example Judo, volleyball and tetsudo.

Specialist PE staff work with teachers and teaching assistants, to improve their skills so they can deliver good quality lessons. We improve teachers' subject knowledge by helping them with planning PE lessons. Staff are offered workshops in all sports to develop their own CPD.

Pupils are encouraged to take part in lunch time activities using good quality equipment.

We help selected pupils, including those who have special educational needs and those entitled to Pupil Premium funding, to overcome barriers and enjoy the benefits of PE and sport. We have excelled in this area as our SEN pupils have won two sporting events at the Leicestershire and Rutland School Games.

How do we know it is working?

- Year 4 girls came 3rd in the Leicestershire Primary school cross country run
- Most of our athletes received medals at the Loughborough Town Sports
- SEN won 2 events at the Leicestershire and Rutland School Games
- Our teams are now coming in the top 4 of the Charnwood tournaments
- More pupils are bringing in medals that they have won in various sporting events outside of school.
- Our pupils are all enthusiastic during PE lessons. All come to school with correct PE kit.
- Successful sports people visit the school to inspire our pupils. Two are former Newcroft Students. This has lead the whole school to be familiarised with great sporting events such as the Olympics, Commonwealth Games and European Games.
- More than 70% take-up of extra curricular sport for pupils in KS2

PART 2 - Sports Premium Action Guidance 2018-19

Schools receive PE and sport premium funding based on the number of pupils in years 1 to 6.

In most cases, the DfE determine how many pupils in your school attract the funding using data from the January 2017 school census.

Funding for 2018 to 2019

Schools, like Newcroft, with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil.

DfE advice on **How to use the PE and sport premium**

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that we should use the premium to:

- 1. Develop or add to the PE and sport activities that our school already offers**
- 2. make improvements now that will benefit pupils joining the school in future years**

For example, we can use our funding to:

- a. hire qualified sports coaches to work with teachers**
- b. provide existing staff with training or resources to help them teach PE and sport more effectively**
- c. introduce new sports or activities and encourage more pupils to take up sport**
- d. support and involve the least active children by running or extending school sports clubs, holiday clubs and Change4Life clubs**
- e. run sport competitions**
- f. increase pupils' participation in the School Games**
- g. run sports activities with other schools**

The DfE has stipulated that we should not use our funding to:

- employ coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements - these should come out of your core staffing budgets
- teach the minimum requirements of the national curriculum - including those specified for swimming (or, in the case of academies and free schools, to teach your existing PE curriculum)

PART 3 - Rationale behind Newcroft Sports Premium Funding:

At Newcroft Primary School, we will use the Sports Premium funding to:

- Improve the quality of Teaching and Learning
- Increase the range of activities on offer (especially outdoor and adventurous activities)
- Increase participation in intra-school competitions (and activities with other schools)
- Encourage more pupils to take up sport (including vulnerable pupils and those who are less active)
- Introduce Change for Life and other new clubs
- Increase/improve resources

This will impact in the following ways

- Improved staff knowledge and expertise leading to:
 - Improved attendance
 - Improved behaviour for learning
 - Raised self-esteem
 - Increased sense of community and belonging (i.e. being part of teams)
 - Increase fitness, reduce obesity
 - Improved progress and outcomes in reading, writing and maths

PART 4 – PE Action Plan from the School Improvement Plan 2018-19 (and evaluation of 2017-18)

On the basis of the information from last year's plan, what are our key priorities for development? (up to 3)

1. To keep providing access to good sports equipment at break and lunch times and at after school clubs.
2. To continue to give as many pupils as possible the experience of competing in competitive sports.
3. To hold intra – school tournaments, for all abilities. To enter more than one team. To continue with the friendly league.

PE - Improvement plan for the year 2018-19

What do we want to improve? (area for development)	How will we go about it?	When will it happen and be completed?	What will success look like/anticipated impact ?	Cost (if applicable)	Who will monitor its impact and to whom will this be reported (e.g. governor)?	Relevant links to School priority 1,2 or 3
Ensure all pupils have access to at least two hours of high quality PE per week	Betty and Jordan to keep up to date with new training. Other members of staff to be trained as needed.	Ongoing	<ul style="list-style-type: none"> - At least 55% of PP children to have attended extra-curricular club. - At least 60% of children in KS2 take part in an inter-school sports activity - Target group of inactive pupils take part in specific regular planned physical activities on a weekly - At least 2 hours per week of PE lessons for all children - Sports leaders running play activities on a daily basis 	Sports funding (staffing) £12000	Betty Gamble Sarah Hattersley (Governor)	2
Introduce run a marathon for all pupils, making sure pupils know that being active has an effect on their ability to concentrate on their academic school work.	Betty to oversee this with the help of year 6 pupils	To start in September and will continue until all pupils have completed.	Pupils will enjoy the physical challenge, maybe leading on to pupils joining running clubs in the wider community. Pupils will benefit mentally/physically and socially	None	Sarah Hattersley (Governor)	1
Learning about healthy, active lifestyle within PE needs to be made explicit to pupils	<i>Pupils monitor their own activity levels so they become aware of how active they are. Betty to produce an active lifestyle chart for each child. Offer low active pupils support/guidance and set targets for them.</i>	Throughout 2018-2019	Questionnaire – at least 80% of pupils state that they are aware of how active they are can identify at least 3 ways to stay active.	None	Sarah Hattersley (Governor)	2

PE - Improvement plan for the year 2018-19

What do we want to improve? (area for development)	How will we go about it?	When will it happen and be completed?	What will success look like/anticipated impact?	Cost (if applicable)	Who will monitor its impact and to whom will this be reported (e.g. governor)?	Relevant links to School priority 1,2 or 3
Levels of Physical Activity	<p>'60 active minutes for every child scheme'.</p> <p>This will tie in with Healthy Schools programs. We could offer morning runs around the track/ or afterschool. Say 15 mins each day. Parents could do this with their child if they wanted, it could be for every child in the school and it wouldn't cost them anything. We could keep a record of who participates in this and see what impact it has on their learning throughout the day.</p>	Throughout 2018-19	<p>Ideally school should provide 30 mins of this as well as the usual 2 hours PE per week.</p> <p>Links to core subject outcomes: End of KS1 and KS2 (at least) 3a. 3% above national averages in Reading, Writing and Maths (including GDS) 3c. Combined Reading, Writing and Maths is at least 74%</p>	£0	Sarah Hattersley (Governor)	1 and 2
Subject specific tasks for the year	<p>Trying to introduce different types of sports.</p> <p>Continuing to provide a spread sheet of PE achievements.</p>	<p>Establish network with other schools to offer friendly competitions</p>	<p>Invite people from wider community into school to promote their sport, activity. EG Loughborough rowing club, Ramblers, cyclists.</p>			

PART 5 – Detailed breakdown of Sports Premium spending 2018-19

Newcroft Primary Academy's Sports Premium funding 2018-19				
Total number of pupils in the school:		341		
Total number of pupils in Years 1 to 6		261		
Lump sum		£16000		
Amount per pupil:		£10 per head		
Total Pupil Premium budget:		£18610		
Breakdown of Cost Centre Allocations specifically for Pupil Premium				
<i>Relevant link to DfE Priorities</i>	<i>Cost Centre Description</i>	<i>Allocated</i>	<i>Expenditure to date</i>	<i>Purpose</i>
2a, 2b	PE Support (training to work with teachers)	£16590		Providing high quality training, mentoring and shadowing opportunities for teachers. Delivered by expert Level 5 trained sports coaches, from within the Multi-Academy Trust, directly to teachers. 2 specific teachers have 5 training sessions each during the year and deliver 5 shadow lessons with detailed feedback Training delivered to support leader in curriculum development
2a, 2b, 2e, 2g	PE Leadership development	£500		PE Subject leader release time to; <ul style="list-style-type: none"> Plan for improvements in curriculum and timetabling Plan for intra-school activities Accompany children to events Lead events Liaise with partner schools (both within the Trust and in the Family of Schools) Facilitate the school's participation in School Games events Attend training Receive mentoring support
1b, 1c, 1d, 1e, 1f, 2b, 2c, 2d, 2e, 2f, 2g	Access to Sport / PE	£520		Increase the range of sports offered (e.g. Tri-Golf, rugby, orienteering) Transport Costs Affiliation (e.g. LSAA £20; County Cross Country (Leicestershire 2020 Vision): £33) Club set up costs (including lunchtime club) Taking part in as many level 1 and level 2 school games activities/competitions as possible Measurable targets in the school improvement plan linked directly to participation.
2c	Resources	£1000		Generic Sports kit and resources (especially bearing in mind the wider range and number of activities on offer).
		£18610
