Pupil Premium Parent Survey 2025

We received responses from 63.8% of families whose children are in receipt of the Premium; we greatly appreciate the time and effort given to share their views.

Your feedback is incredibly valuable in helping us understand how we can continue to support our pupils who are eligible for Pupil Premium funding. The insights you provide throughout the year play an essential role in shaping our approach to ensuring that all our children have the best possible opportunities to succeed. We are particularly pleased with the positive responses regarding the support provided to children, and we will continue to work hard to build on these successes. Please see below, a breakdown of the responses and some of the lovely comments we received.

My daughter loves coming to school. She feels well supported by all of her teachers over the years at Newcroft. I never have any complaints when it comes to the support she has and the bond she has with her teachers. All I can say as her Mum is thank you.

The school's support has made a huge difference to my child's schooling, especially access to free clubs and reduced prices for trips.

A great school with a great support system 😊
