Pupil Survey - 2020-21

Dear children,

As part of our **British Values Curriculum**, each year, we ask you some questions about what you think about our school and how we can make it even better. Your views and ideas are very important to me, and to all the adults who teach you and help you in school everyday. We work our hardest to give you **THE BEST** and be the **BEST SCHOOL IN THE WORLD!**

Thank you for sharing your opinions on Google Classroom; you all did so well in using the ipads for the first time for our survey!

Your answers showed us that you are all very happy at Newcroft. You think that your teachers have really helped you to catch up on missed learning, and you all know who to talk to if you need help with a problem. This is superb!

However, the most important part of the survey is to find out how we can make Newcroft better. You have told us that:

- ✓ Children in Reception need to understand what the internet is and how they can keep safe
- ✓ More equipment is needed on all the playgrounds to make playtime more fun
- ✓ You would like more clubs at lunch and after school

Myself and your teachers will be working on this, during the Spring Term, along with some of your class suggestions.

Thank you again for completing the survey and living out DEMOCRACY as pupil at Newcroft,

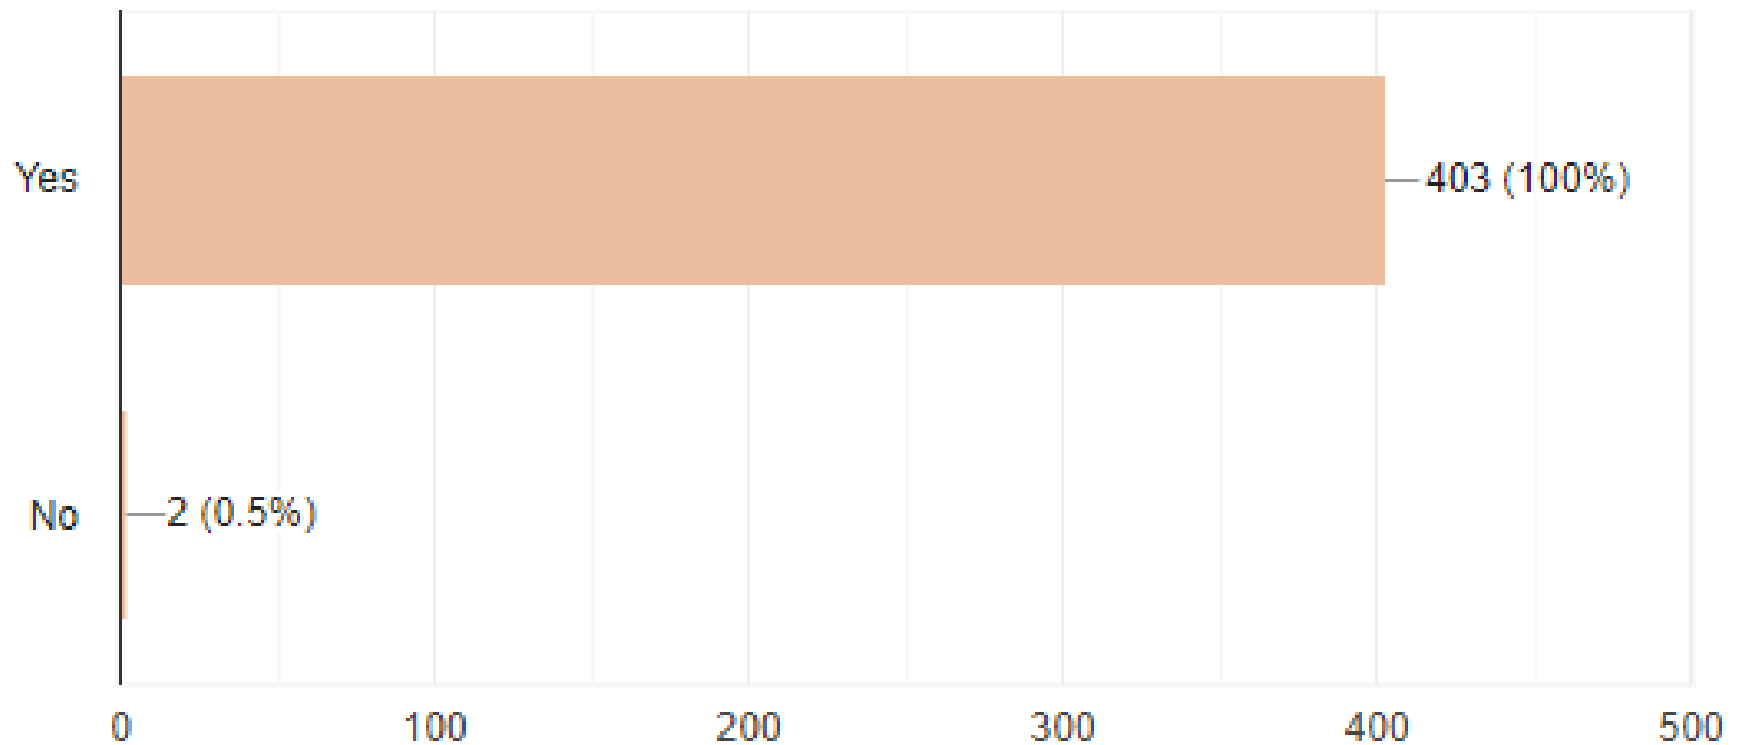

Mrs Aukland
Head teacher
